ARTICLE III

MANAGEMENT RIGHTS CLAUSE

It is recognized that the Borough has and will continue to retain the rights and responsibilities to direct the affairs of all the employees of the Borough of Freehold in each of the departments in all its various aspects. Among the rights retained by the Borough are its rights to direct the working forces; to plan, direct and control all the operations and services of the department; to determine the methods, means, organization and personnel by which such operations and services are to be conducted; to contract for and subcontract services; to relieve employees for legitimate reasons; to make and enforce reasonable rules and regulations; to change or eliminate existing methods, equipment, or facilities. However, the exercise of any of the above rights shall not conflict with any of the express

written provisions of this Agreement and that a grievance may be filed by the Union alleging such conflict.

ARTICLE IV

WORK RULES

SECTION 1: The Borough shall establish reasonable and necessary rules concerning work and conduct for the employees of the Borough.

SECTION 2: Unless otherwise provided in this Contract, no work rule shall be interpreted and/or applied so as to eliminate, reduce or otherwise detract from any existing employee economic benefit, without first negotiating the economic impact of the new work rules with the Union. For the purposes of this Section, an existing employee economic benefit is defined as any practice related to terms and conditions of employment that is the result of all of the following:

SECTION 2: The Borough and the Union agree not to interfere with the rights of employees to become or not become members of the union. Furthermore, there shall be no discrimination or coercion against any employee because of Union membership or non-membership.

SECTION 3: Employees hired prior to the effective date of this contract will be exempt from any residency requirement of the Borough.

ARTICLE VI

GRIEVANCE PROCEDURE

SECTION 1: In the operation of the various departments, it is recognized that on occasion, a complaint may arise between the Borough and the Union, or between the Borough or any one or more employees concerning interpretation, application or violation of policies, agreements and administrative decisions affecting the terms and conditions

of employment of one or more employees or rights of the Union of this contract. The Borough and the Union earnestly desire that such grievances be promptly settled so that the efficiency in the department shall not be interrupted and morale of the employees shall not be impaired. Accordingly, an informal procedure for resolving grievances is outlined herein. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss this matter informally with an appropriate member of the departmental supervisory staff and having the grievance adjusted without the intervention of the Union.

SECTION 2 - PROCEDURE TO BE FOLLOWED: The Union and the Borough specifically agree that the grievance procedure shall be the sole and exclusive method available for adjusting employee complaints, except those complaints that are subject to Civil Service Regulations, or the Regulations of the Equal Employment Opportunity Commission. Accordingly, the Union pledges that if any dispute arises under this Agreement, it shall be settled in the manner established in this Article. Pending such a settlement, all employees shall continue to carry out their assignments as directed by the Borough and their supervisory personnel. If any employee should refuse to follow the settlement procedure herein, but rather takes some other action, except such action as is provided for in Civil Service Regulations, such other action shall constitute a violation of this Agreement and shall make the employee and all other

employees participating in such violation subject to disciplinary procedures at the discretion of the Borough, and subject to the provisions of the Civil Service Regulations. Any discharge or disciplinary action by the Borough, subject to Civil Service Regulations and appeal, is not included within the scope of this grievance process. A complaint or grievance of any employee relating to condition or work, if not otherwise provided for in law, rules or regulations, shall be settled in the following manner:

STEP ONE: The aggrieved shall institute action under the provisions hereof within fourteen (14) calendar days after the event giving rise to the grievance. The action will be instituted by the grievant and/or the grievance representative submitting a signed statement setting forth, in writing, a concise factual report of the grievance. An earnest effort shall be made to settle the difference between the aggrieved employee and the Department Head at the time the grievance is filed for the purpose of resolving the matter informally. Failure to institute action within the stated fourteen (14) calendar days shall be deemed to constitute an abandonment of the grievance. The aforementioned fourteen (14) calendar day limitation may be extended upon presentation to the Borough Administrator of a physician's certificate attesting to the incapacity of the grievant to file within the prescribed time. The Department Head supervisor shall make an effort to resolve the problem within a reasonable time, but shall render a decision, in

writing, within seven (7) days after receipt of the grievance.

STEP TWO: If the grievance is not settled at the first step, the grievant may make written request for a second step meeting with the Borough Administrator within five (5) calendar days after receipt of the answer at the first step. The Borough Administrator, or his designee, shall set a meeting between the Department Head, the aggrieved employee(s) and the aggrieved's local representative within five (5) calendar days after receiving the request or such other time as is mutually agreeable. The Borough Administrator's answer to the second step shall be delivered, in writing, to the grievant and the Union within seven (7) calendar days after the meeting.

STEP THREE: If the aggrieved person is not satisfied with the result of the grievance on the second step, he may, within five (5) calendar days, notify the Mayor and Council that he wishes to have them rule on the aggrieved matter. A meeting between either the Mayor and Council or the Personnel Committee and the aggrieved's local and/or outside representatives shall be set within thirty (30) days after the Mayor and Council have received the request that it rule on the matter. The Mayor and Council's decision shall be delivered, in writing, to the grievant and the Union within seven (7) calendar days after said meeting.

STEP FOUR: Should the aggrieved person be dissatisfied with the decision of Mayor and Council, and if the grievance alleges a violation, misapplication or misinterpretation of the specific terms and conditions of this Agreement, the Union may submit, within fourteen (14) working days, the dispute to final and binding arbitration pursuant to the rules and regulations of the New Jersey State Board of Mediation. The decision of the Arbitrator shall be final and binding on all parties to the dispute. The Arbitrator shall limit his decision to the issue submitted, and he shall be without power to add to, delete from, or modify the provisions of this Agreement.

SECTION 3 - REPRESENTATION: In using the grievance procedure established herein, an employee is entitled, at each step, to be represented by the Union.

STEP 4 - TIME LIMITS: Failure by the aggrieved or the Union to forward a grievance within the specified time limits shall terminate the grievance. Failure to respond to a grievance within the specified time limits shall permit the aggrieved to advance to the next step.

ARTICLE VI(A) - GRIEVANCE PROCEDURES

MINOR DISCIPLINARY ACTIONS

SECTION 1 - GENERAL: In those cases involving disciplinary

action against a member which is not appealable pursuant to Civil Service Regulations, the Union, on behalf of the affected member, may obtain the services of the New Jersey State Board of Mediation to mediate the dispute. The decision of the mediator shall not be binding upon the Borough or the affected member. This mediation service shall be provided at no direct cost to the Borough. This mediation process may only be invoked after the affected member has exhausted all local appeals provided in Civil Service Regulations and/or the Personnel Manual of the Borough of Freehold.

SECTION 2 - PURGING OF FILES: An employee may request that letters of warning be removed from his official personnel file after two (2) years and letters of reprimand be removed from his official personnel file after four (4) years. If there has been no recurrence of the intent cited in these letters or other incidents resulting in formal disciplinary action, this request will be honored by the Borough.

SECTION 3 - ACCESS TO PERSONNEL FILE: An employee has the right to review his official personnel file in the Borough provided that 24 hours notice of the time and date of this review is given. The employee may not remove items from this file without specific permission from the Borough Administrator. The employee must review his file in the Administrator's office.

Each Job title, except probationary and training titles, shall have a salary range assigned to it, indicating the minimum and maximum salaries for that title. Some titles may have a salary range indicating a minimum, maximum and extended salary. A member employed as of January 1, 1998 shall advance through the salary range toward the extended salary over four years if the salary range has a 20% differential between minimum and maximum, or three years if it has a 15% differential, assuming continued satisfactory job performance and attendance. These salary adjustments will occur on the anniversary date of the employee's permanent Civil Service appointment. Longevity and special certificate/license requirements are not included in these calculations.

A new member employed after January 1, 1998 or an existing member reclassified or promoted after January 1, 1998 will be eligible to receive only the established maximum salary for their job title and not the extended salary, it being the intention of the Borough to establish new salary ranges for these employees without penalizing

those existing employees in their specific job titles as of January 1, 1998.

SECTION 2: Overtime opportunities will be distributed as equally and practicable among employees in the same job classification and department.

SECTION 3: For those members working an eight-hour day, time and one-half of the employee's regular rate of pay shall be paid for work under the following conditions, but compensation shall not be paid twice for the same hours.

- A. Work in excess of the regular 40 hour week.
- B. An employee who works on a holiday listed in Article XI shall be paid his regular rate for the holiday, plus an additional one and one-half (1 1/2) of the employee's regular hourly rate of pay for each hour worked.
- C. Overtime pay to an employee who works a prescribed work week of less than forty (40) hours shall be computed at the regular equivalent hour rate up to forty (40) hours, and time and one-half for all hours worked after forty (40) hours, in a given assigned week.

SECTION 4: Compensatory time will not be granted for any overtime work unless requested by the employee.

SECTION 5 - EMERGENCY CALL-IN COMPENSATION: In the event that an employee is required to report for emergency service, that employee will receive overtime compensation in the following manner:

- A. If the emergency call-in occurs between the hours of 7:00 a.m. and 8:00 p.m., the employee shall be considered as being on duty for a minimum of two hours from the time he clocks in. If a second emergency call-in should occur during this on-duty time, then this employee will not receive a second guaranteed two hours of overtime; rather, he shall receive overtime only for the actual total time required to correct the conditions causing the two or more emergency call-ins. The employee may, at his option, go home after correcting the condition causing the first emergency call-in with the understanding that if a second or third emergency call-in should occur within this two-hour period, then he will not receive a second two-hour overtime guarantee.

- B. If the emergency call-in should occur between the hours of 8:00 p.m. and 7:00 a.m., and the employee is able to correct the condition causing the emergency in less

- D. For those employees performing work on a scheduled overtime basis, if an emergency call-in should occur during the time of this scheduled overtime, then the guaranteed emergency call-in pay is not in effect, and the required corrective action is made as an extension of the scheduled overtime assignment.
- E. Notwithstanding any of the above, if an employee responds to an emergency call-in, corrects the problem, returns home, and then receives a second emergency relating to the same problem, a second guaranteed emergency call-in time will not be provided; rather, the second call-in will be considered as an extension

of the first emergency call-in.

F. Overtime: If a Code Enforcement Officer is required to report to duty during non-working hours, he/she will be compensated for a minimum of two hours at the normal wage if it is less than the weekly forty hour minimum. Overtime rates will be computed for all work in excess of the forty hour standard. In all cases, the Code Enforcement Officer will be entitled to receive compensation for a two hour minimum.

SECTION 6: In the event that a Court or Violations Clerk is required to sign papers at home or after leaving duty, said Clerk will receive one (1) hour pay at his/her regular hourly pay scale if the signing occurs after working hours. Those employees utilizing an approved health maintenance organization for medical insurance benefits shall have fifteen (15) working days vacation.

SECTION 4: Beginning with the eleventh (11th) year, and up to and including fifteen (15) years of employment, each employee shall have sixteen (16) working days of vacation.

SECTION 5: After fifteen (15) years and up to and

including twenty (20) years of employment, each employee shall have eighteen (18) working days of vacation.

SECTION 6: After twenty (20) years of employment, each employee shall have twenty-four (24) working days of vacation.

SECTION 7: During the final year of service wherein an employee becomes eligible and actually receives retirement benefits from the Public Employees Retirement System, the employee may either take his full vacation allotment or receive compensation in lieu of this time off. If an employee should die or resign due to terminal illness, the employee will receive full vacation benefit for his/her last year.

SECTION 8: When an employee resigns in good standing, vacation allotment will be pro-rated in accordance with the actual months worked. The employee may take time off for this pro-rated allotment or receive compensation for it. If the employee had already taken vacation in excess of the pro-rated amount due to him/her, the final paycheck of the employee will be adjusted accordingly. Resignation in good standing requires two weeks' notice.

SECTION 9: Consideration for the effective operation of the employee's respective department determines the scheduling of and the number of employees to be absent at

any one time. Employees with the greatest length of service may receive preference in scheduling of vacations.

SECTION 10: The majority of an employee's vacation must be scheduled by May 1st of the calendar year, and each employee must take his/her vacation as scheduled, subject to reasonable alterations at the consent of the supervisor, if good cause is shown. An employee who does not submit his/her vacation request by May 1st shall have their vacation period assigned by the Department Supervisor. Annual vacation leave is not cumulative.

Vacation not scheduled by May 1st of any given year may only be approved after a request has been submitted at least five (5) working days in advance of the anticipated vacation time. Consideration will be given by the Supervisor of the request and the employee notified within two (2) working days. No vacation time, under any circumstance, will be approved unless these procedures are followed.

Vacation time is to be taken during the calendar year it is accrued. However, an employee may request to carry over until March 31 of the next year up to five (5) days of vacation provided that if this vacation is not used by this date it is forfeited. Vacation carried forward shall not be credited toward vacation to be purchased by the Borough if the employee should retire pursuant to Section 7 above. If the work schedule of the Borough precludes the employee from

taking this vacation, then the Borough shall purchase the vacation from the employee.

ARTICLE XIII

SICK LEAVE

SECTION 1: Sick leave with pay shall be applicable only to permanent employees in the classified Civil Service of the Borough of Freehold as set forth hereinafter.

SECTION 2: Within the first year of service, an employee working a 7 hour or an 8 hour day shall receive one (1) working day of sick leave, with pay, for each month of service from the date of his/her regular appointment up to and including December 31st following such date of appointment.

If an employee should resign or retire during the year, the employee's sick leave allotment for this last year of service shall be prorated in accordance with the actual months worked.

SECTION 4: Sick leave not taken shall accumulate to employee's credit from year to year, and he/she shall be entitled to such accumulated sick leave, with pay, if and when needed.

SECTION 5: When an employee retires, he/she shall be entitled to one-half (1/2) pay for accumulated sick days in an amount not to exceed \$12,500. The retiring employee shall advise the Borough Clerk of the employee's intention to retire by November 1st of the year prior to the year of retirement. Effective January 1, 2008, an employee shall be entitled to one-half pay for accumulated sick days in an amount not to exceed \$15,000.00.

SECTION 6 - VERIFICATION OF ILLNESS: An employee who has been absent on sick leave for more than three (3) consecutive work days, or 7 undocumented days in any 12 month period, shall be required to submit a medical certificate from a physician substantiating the illness. This requirement may be waived if the illness is of a recurring nature previously attested to by a physician. If there is reasonable evidence that an employee is abusing his/her sick leave usage, the employee will be so notified of this evidence, and the Borough may require a medical certificate for all subsequent absences due to illness. If the employee takes exception to this requirement, he/she may file a grievance as provided elsewhere in this Agreement in order to substantiate the legitimacy of his/her prior sick leave usage.

SECTION 7 - NOTIFICATION OF ILLNESS: Failure to notify one's supervisor within 60 minutes at the start of the

normal work day is grounds for denial of sick leave for the work day in question. If the absence is a continuation of illness reported the previous day, then the employee must notify his/her supervisor during the work day of their continued illness and anticipated return to work date.

SECTION 8 - DEFINITIONS: For the purpose of interpretation of the contract document, sick leave is defined to be the absence from duty of an employee because of illness, accident, exposure to contagious disease, or attendance upon a member of said employee's immediate family who is seriously ill and requires the care and attendance of said employee. A certificate of a reputable physician in attendance shall be required as sufficient proof of need of leave or leaves of absence of the employee, or the need of employee's attendance upon a member of the employee's immediate family. In the case of an illness of a chronic or recurring nature causing an employee's periodic or repeated absence from duty for one day or less, only one medical certificate shall be required for every six month period as sufficient proof of need of leave of absence of the employee. However, the certificate must specify that the chronic or recurring nature of the illness is likely to cause subsequent absences from employment. In case of leave of absence due to contagious disease, a certificate from the New Jersey Dept. of Health shall be required.

ARTICLE XIV

shall be in accordance with negotiated contracts and/or this Policy.
